1.3 Upon receipt of the petty cash funds, the appropriate Division Director or Warden will be responsible for:

- designating an employee and an alternate who will be responsible for managing and disbursing the petty cash funds; (4-ACRS-7D-16, 4-4025)
- submitting the name of the designated employee (and his/her alternate) to the Division Director of Finance, and notifying the Division Director of Finance if this individual is replaced for any reason; and
- contacting the Auditing Manager of Internal Audits when the designated and/or alternate employee changes.

2. ACCOUNTABILITY FOR PETTY CASH FUNDS: The Internal Audits section will be responsible for monitoring and, if necessary, auditing petty cash funds whenever a designated and/or alternate employee changes, as follows:

2.1 The individual turning over the funds will be responsible for counting the money in the presence of the individual receiving the funds and a third disinterested party.

2.2 The person receiving the funds will be responsible for again counting the money to ensure accuracy of the count.

2.3 All three (3) individuals will then be responsible for signing SCDC Form 15-24, "Petty Cash Turnover Audit," verifying that the funds are correct. A copy of SCDC Form 15-24 will be forwarded to the Internal Audits section and the Division of Finance. The original form will be maintained on file by the designated employee responsible for petty cash funds.

2.4 If there are any problems with the verification or if unusual circumstances exist, the Internal Audits section will be contacted and requested to perform an on-site audit.

3. SECURITY OF PETTY CASH: Petty cash will be secured in a locked box or safe at all times with access limited to the designated employee(s) only. If applicable, the safe combination will be changed after a designated employee leaves his/her position.

4. REQUESTS FOR PETTY CASH PURCHASES:

4.1 Petty cash purchases will be limited to items:

- allowed to be purchased from state appropriated funds;
- needed in an emergency situation;
- obtained through a purchase that cannot be billed directly to the SCDC for payment; and
- needed by Prison Industries.

(NOTE: Petty cash funds will not be used for making personal loans or for cashing checks or money orders.)

4.2 Each single purchase will be limited to \$25.00, and duplicate purchases for the purpose of avoiding this limit will be prohibited.

4.3 The requestor will be responsible for completing SCDC Form 20-22, "Petty Cash Authorization," and obtaining the approval of the designated employee prior to receiving the money and making the purchase, except for Prison Industries. Prison Industries plant managers may approve petty cash purchases from Prison Industries funds. No purchases should ever be made without the prior approval of the designated employee.

4.4 Following the purchase, the original cash sales receipt will be given to the designated employee/alternate responsible for the petty cash fund. The designated employee will attach the sale receipt to the completed SCDC Form 20-22, "Petty Cash Authorization," ensuring that the Accounting Codes are correct and that the amount on SCDC Form 20-22 is the same as the sales slip. (4-ACRS-7D-20)

4.5 The Division Director, Warden, or designee will be responsible for requesting the reimbursement of the petty cash funds. Reimbursement for petty cash should be processed at least quarterly. The original SCDC Form 20-22, "Petty Cash Authorization," and the original cash sales receipt for each purchase will be attached to the memo and forwarded to the Accounts Payable Section. Food service staff may not maintain or sell tickets. If applicable, the safe combination for meal tickets will be changed after a designated employee leaves his/her position.

5.2 Though cash is the preferred medium, employees may purchase meal tickets with personal checks for the amount of purchase only. Any checks taken in payment of meal tickets must be cashed and the cash replaced in the locked box or safe within three working days.
